A background photograph showing three individuals seated at a table covered with a light blue cloth. A young man in the center is speaking into a microphone. To his left, a woman is looking towards him. To his right, another woman is looking down. On the table in the foreground, there is a white plate with green food, a smartphone, and a white cup with a grape illustration. The setting appears to be an indoor community space with an American flag and other people in the background.

GET HELP

Stay-Home Help: Get Organized, Feel Big Feelings, Breathe

Big feelings are happening. We feel them, and we care for others who are having them. Times of uncertainly cause stress that makes big feelings feel bigger. Emotions might seem to run away with all the energy we had left. It can feel hard to breathe, and it's easy to lose a sense of control over what happens within the span of a day.
