

# STRATEGIC FRAMEWORK

The Foundation for Tacoma Students is the key connection point and organizer supporting the Graduate Tacoma community-wide movement. We do this by engaging all community systems that are influential to the success of Tacoma's youngest residents – from the highest level of office to direct service providers who work with children and families on a daily basis. The Foundation's work is centered within the following framework:

## VISION

A Tacoma where every child succeeds in school, career, and life.

## MISSION

To build and strengthen Tacoma's community-wide movement to help every child achieve success from cradle to college and career by aligning goals, data, resources, and partners.
